

# BHARGAV GEMBALI

Bhargav Gembali

@bhargav\_gembali1

I am enthusiastically searching for an internship in a company that promotes continuous learning and offers exposure to cutting-edge concepts and technologies.

## CONTACT

+91- 8484816189

bhargav.gembali2020@gmail.com

Pune, Maharastra

## TOP SKILLS

- JAVA OOPS
- Java Spring Boot
- React js embedded with spring
- RESTful API
- Professional Presentation Building
- SDLC concepts

## GOOD SKILLS

- MySQL
- HTML
- CSS
- Java Script
- Git Hub
- Vs code

## PROJECTS

### CarStar

- Developed CarStar, a Java and JavaFX application with SceneBuilder for frontend design and MySQL via XAMPP for database.
- CarStar serves as a centralized platform for accessing verified car websites for buying, selling, renting, insurance, and car services.
- Implemented a secure login and registration system using Java for backend functionality.
- Utilized SceneBuilder to create a user-friendly interface.
- Technologies used: Java, JavaFX, SceneBuilder, MySQL, XAMPP, Web Engines.

### Parallax Webpage

- Designed Parallax web design using JavaScript, CSS, and HTML.
- Implemented JavaScript mouse functions to track mouse position for interactive user experience.
- Utilized CSS for styling and HTML for structuring the webpage.
- Integrated Parallax effects to create depth and immersion.
- Optimized performance and responsiveness for various devices and screen sizes.
- Demonstrated creativity and attention to detail in webpage design and functionality.
